"A Friendly Zone To Build Your Home"

VOL. XXI—No. 24 | Cypress, California, Friday, April 2, 1948 | Price 5c Per Copy

"Rambling with Ralph"

Ralph C. Quetschke

April, taken from the Latin "Aperire,' meaning "to open." Probably so called because during this month the buds begin to open.

* * *

122 years ago today construction was begun on the first railroad in the U. S. and 88 years ago this Saturday the "Pony Express" started "Ponying" between Sacramento, California, and St. Joseph, Missouri.

* * *

As we all know the birthstones for April are the diamond and sapphire. According to the language of the gems the diamond signifies purity and the sapphire is supposed to free one from enchantment.

* * *

According to those who are supposed to be in "The Know," vitamin A is a great help to any one who has to match colors or who works to exact measurements.

* * *

Good Cheer — "Friendly neighbors are better than great riches."

* * *

Wisdom for Today — Half the misery in the world comes of want of courage to speak and to hear the truth plainly, and in a spirit of love. — H. B. Stowe.

* * *

The Reason — The reason that there's a bulge in the front of most men's necks is that the superstitious, years ago, figured that was a piece of the apple, the forbidden fruit, that had stuck in Adam's throat. Chances are that Eve didn't like that a bit.

* * *

Here is a point which many of us might do well to remember, as the years pile upon us. The great Sam Johnson wrote it years and years ago. He said: "If a man does not make new acquaintances as he passes through life he will soon find himself alone. A man should keep his friendships in constant repair."

* * *

Bible Lore — Before undertaking a difficult task somebody has suggested that you read Joshua 1:19.

* * *

The sky's beautiful blue color is made possible only by the dust particles in the air. If the particles weren't there, the sky would appear as pitch black.

* * *

A great soul, said Balzac, the famous French novelist, never stoops to flattery. It is the small-minded man who makes himself smaller yet so burrow into your vanity and blow up your ego. A conceited man, like a weather vane, is easily influenced by a little wind.

* * *

Oliver Wendell Holmes once remarked, "Sin has many tools, but a lie is the handle that fits them all."

* * *

Happiness has one great advantage over money — your friends can't borrow it.

* * *

A Thought for Today — "God pity the person who cannot laugh."

* * *

The finest compliment that can be paid to women of sense is to address them as such.

* * *

Life Lines — The right of way isn't worth dying for.

* * *

Classified advertisement in the Boston Globe: "WANTED — Position in a night club; no bad habits; willing to learn."

* * *

The Clean Story Club—The lawyer asked his client, who had given him the details of his will, how it came that six bankers had been named as pallbearers. The attorney wanted to know if it wouldn't have been better if he had chosen some friends with whom he was on better terms.

"No,' said the client, "because those fellows have carried me so long that they might as well finish the job."

* * *

Gypsy Stuff — "A child born within 24 hours of the new moon will be fortunate and live to a good old age."

* * *

Do you remember when a turkey-red tablecloth was the thing for six days a week, and a pretty white one on Sundays only?

Cello Recital In Long Beach By Contest Winner

Gilbert Reese of Long Beach, brilliant young cellist and winner of the 1947 KFI-Hollywood Bowl auditions contest, will be presented in a civic-sponsored recital in the Concert hall at the Municipal auditorium in Long Beach on Sunday evening, April 4.

Young Reese, a veteran of the U. S. Army Air Corps and now student of philosophy at the University of California, will leave Southern California shortly after his Long Beach recital to open his concert debut in New York He has already appeared in a number of motion pictures, including the "Song of Russia." Former first cellist with the Victor Young orchestra on the Texaco program, Reese is well known to music lovers throughout Southern California.

April In Sunny South Land Offers Attractions

According to the roundup of interesting events in April announced by the All-Year Club, Southern California's official tourist organization, there are flower shows, sports on land and water, community fiestas and pageants:

All April
CORONA MILE FOR ROSES

Chase Drive, a main Corona boulevard, is banked for a mile on one side by a yellow, pink, and white wall of roses in full bloom. Cherokee roses climb thirty feet or more to garland the trunks of palm trees. Below bloom the shrubs of pastel-colored Lady Banksia roses.

All April
"TRAVEL TO THE PLANETS"

In these days of rocket propulsion, people consider not only a trip across the nation to Southern California, but perhaps a trip to the Moon. Famed Griffith Park Observatory and Planetarium, perched on a mountain shoulder overlooking Hollywood, schedules month - long show illustrating conditions expected on the planets, and difficulties of any projected visits beyond the moon.

April 2 - May 15
SANTA ANITA HARNESS RACE

Some 900 horses from all parts of the nation meet for the 30-day 1948 Grand Circuit opener at Santa Anita Park. Leading trotters and pacers will compete in 16 feature events, including two $50,000 feature stakes, the Golden West Pace and the Golden West Trot.

All April
DESERT HIKES

Plant life, animal life and geographical wonders of the colorful desert and mountain canyons surrounding the Palm Springs oasis resort are viewed in Sunrun Hikes every Saturday until June 1. Naturalists on the staff of the village's Desert Museum ,and visiting authorities, present explanatory talks of the features inspected on the leisurely hikes.

April 2 - 3
PASADENA GARDEN TOURS

Gardens of the Pasadena-South Pasadena area are thrown open to visitors April 2 - 3, in Girl Scout-sponsored tours, 1:30 to 5:00 p.m.

April 3 - 4
29 PALMS WEED SHOW

In an unusual exhibition of desert plants, residents of this San Bernardino county oasis resort compete for prizes with original arrangements of cacti, trailing vines, ferns and the pint-sized, inch-high flowers which decorate the sands and rocks of the desert floor.

April 4
LAKE ELSINORE REGATTA

"Aquatic hot-rod" speed boat drivers compete in outboard and hydroplane races on resort-lined Lake Elsinore in Riverside county.

April 7 - 10
GLENDALE BADMINTON TOURNAMENT

An estimated 300 entries from all parts of Southern California, representing some 15 badminton clubs, meet in Glendale high school girls' gym in 3rd annual Glendale Badminton Tournament. Tourney open to all but national championship calibre players. Play starts at 7:00 p.m. Wed., Thurs., Fri. Final play Sat. at 2:00 and 8:00 p.m.

April 7 - May 15
PADUA HILLS THEATER

Mexican Players of the Padua Hills Theater present the play "En El Mes de Mayo' (In the Month of May), dedicated to San Ysidro, patron saint of Mexican formers.

April 12 - 13
STATE ONE-ACT PLAY TOURNAMENT

Pasadena Playhouse, California's official state theater, holds the first post-war one-act play competition for high schools and junior colleges. Some 30 schools compete for the Governor's Trophy in nationally accredited contest. Promising student actors are "scouted" for future Playhouse training.

April 13 - 24
METROPOLITAN OPERA

Famed Metropolitan Opera of New York City open a 2-week engagement in Los Angeles with Bizet's "Carmen," starring Rise Stevens. Program includes Wagner's "Tristan und Isolde," "Peter Grimes," "La Boheme," "Pagliacci.' Stars will include Melchoir, Pinza, Peerce, Traubel, Thebom, Bampton, Conner, Sayao.

April 15 - 18
BOBBY JONES TROPHY TOURNAMENT

Amateur invitational golf tournament will be played on the Catalina Island Visitors Country Club course overlooking the blue crescent of Avalon Bay. Golfers compete for the Bobby Jones silver trophy.

April 17 - 18
HOLLYWOOD IRIS SHOW

Lavish exhibit of varieties of iris grown outdoors by amateur and professional southland growers.

(Continued on Page 2)

STANTON MAN BURNED IN FLASH FIRE

Glenn Boone, is in a serious condition in Long Beach Naval hospi- when gas he was using in cleaning tal as the result of burns suffered caught fire. The blaze started at 5 p.m. as Boone was using the gas near a heater.

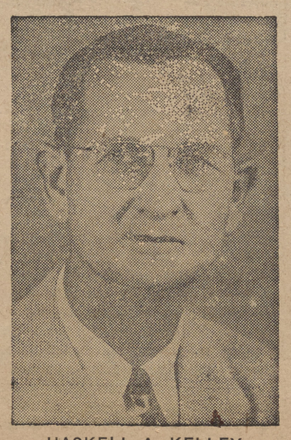
With his clothing afire, Boone rushed to an adjoining room where a neighbor's child was asleep and carried him to safety before caring for his own burns. Damage to the property which is owned by Mrs. Ruth Korn was estimated at $400.

Mrs. Boone reported that stories that her husband was unable to leave the house because he was in the shower were unfounded and his first, second and third degree burns were probably due to his caring for the neighbor's child ahead of his own welfare.

Kelley Is 3rd District Candidate For Supervisor

Announcing his candidacy for membership on the Board of Supervisors of Orange county, Haskell A. Kelley made it emphatically clear that he did so without one promise nor did he owe any debt to any person, clique or group of persons. His one pledge was to keep clear of any entanglements or promises to any person or political organization. If elected he will be able to assume his duties to serve the people of the Third District as he sees best.

Haskell A. Kelley's broad experience especially fills the requirements of the post which he seeks. He was born in Missouri but came



HASKELL A. KELLEY

to Pomona, California, with his parents when but four years of age. He received his early schooling in Pomona but graduated from the Pomona High School in San Diego county.

When but eighteen years of age he was engaged in farming on his own. He followed this endeavor for several years with success. Leaving the farm he became an iron worker, which occupation he followed for four years. He was a members of the Iron Worker's Union of the AFL. He re-engaged in farming, leasing 400 acres of the Bryant Ranch east of Long Beach.

Five years ago he purchased the Central Feed Store on Lincoln Avenue which business built up to one of the important dairy and poultry supply centers of West Orange county. Disposing of this property three years ago he purchased the Cypress Hardware which business he has conducted since.

Mr. Kelley has been closely iden-

(Continued on Page 5)

Bids for construction of the new additions to the Cypress school are now being received by Dan Mackay, clerk of the board of trustees.

Services To Veterans Still Are Available

In view of recent announcements that services to veterans are again being curtailed by the Veterans administration due to a shortage of funds, Ben Liebermann, Orange county director of Veterans Affairs, located at Orange County Veterans Service Center, 225 North Broadway, Santa Ana, today reassured veterans that complete service will continue to be rendered to vetrans and their dependents in connection with all rights and benefits — national, state and local.

Due to the reduction in VA personnel, the closing of contact offices and the reduction of training officers in the field, there will be a heavier work load on the Orang County Veterans Service office, but Liebermann emphasized that veterans and their dependants in this area will be fully served and will have complete cooperation from the service office.

He urged them to call at his office for assitance on any matter pertaining to veterans' rights or benefits regardless of what the situation might be. He requested that veterans phone Santa Ana 0215 for an appointment before coming in.

A. R. McArdle Opens Garage

A. R. McArdle, 4572 E. Lincoln boulevard, announced this week that he had secured the services of a mechanic for the new garage he has opened in connection with his McArdle Sales and Service station. "Bud" Shell comes to Cypress from Artesia.

In addition to Hancock gas and oils and Firestone products, McArdle, who leased the station March first, is also the Orange county distributor for the Parker sweeper and Rumsey electric mower. He plans to expand in the near future to include items of garden furniture and other equipment.

Royal C. Norton, well known horseman of Buena Park, was presented two trophies at the western dance given by the Mesa Boots and Saddle Club at Santa Ana Saturday night.

One trophy was for first place for 1947 and 1948 for being champion of events for seniors of Orange county round robin play day season. The other trophy was for being high point winner at the Foothill Riders round robin play day at La Habra.

Both Norton and his wife have been members of the La Habra Valley Riding Club for two years. They have their own matched horses and recently rode in a parade of riding clubs at Palm Springs in which their club won 1st prize.

OUR DEMOCRACY——by Mat

"The Legend of Sleepy Hollow"..."Rip Van Winkle"...
"Diedrich Knickerbocker's History of New York"...
"The Life of George Washington"...

IRVING'S WAS ONE OF THE FIRST LITERARY VOICES IN AMERICA THAT HIS OWN COUNTRYMEN LISTENED TO AND OTHER NATIONS PRAISED...PIONEERING TO LIFT AMERICAN WRITING FROM PROVINCIALISM TO A PLACE IN WORLD LITERATURE, IRVING HELPED BUILD THE AMERICAN CULTURAL TRADITION IN ARTS AND LETTERS THAT CONTINUES TO BE, TO ALL OF US, A SOURCE OF PRIDE AND INSPIRATION IN OUR DEMOCRACY.

IT'S BEING SAID -- IN CYPRESS

That the Business Men's club will eat breakfast at the Pine cafe on Tuesday morning, April 6, at seven o'clock, and that this group meets the first and third Tuesdays in the month to take up the important matters of business to come before it. We understand a few fellows lost a few hours sleep for the month of March and went without breakfast because the month had five Tuesdays in it.

That C. W. Biggs went up to the big city, appeared on a program over the Columbia network program for Old Nick candy bars, and came home with a beautiful set of silver he won.

That a new service station has been moved onto the property at the corner of Miller road and Lincoln boulevard and that there is a rumor there will be some building activity there shortly.

That Frank Thorp has six sons in addition to the daughters mentioned in the columns of last week's issue, and that one of them is working at the printing trade in Iowa right now.

That Earl Sartwell not only takes little pieces of rocks, stones, glass and semi-precious materials and makes them into things of beauty such as buttons, but that he designed a piece of equipment to do it with to boot, known as the Sartwell Gem Drill.

That Mrs. Ollie Williams is the correspondent from Cypress for the Buena Park News and the county editor for the Anaheim Bulletin. If there were a scarcity of items in her columns last week it was because she and Mr. Williams celebrated their twenty-ninth wedding anniversary Saturday. They are justly proud of their fine family and one of the most cryptic remarks heard recently was when Mrs. Williams said she was graduated from high school four times —once for herself and once with each of their three children.

State Income Tax Returns To Be Filed

Charles J. McColgan, Franchise Tax Commissioner today warned new residents of California of their possible liability to file returns under the California personal income tax law.

Individuals who are in California for other than temporary or transitory purposes are considered to be residents of this state and are required to file a return if their net income for any year subsequent to 1944 equals or exceeds $3000 if single and $4500 if married or head of a family. Any individuals who are uncertain as to whether they are residents or nonresidents of California for income tax purposes are requested to write to Charles J. McColgan, Franchise Tax Commissioner, Sacramento, Calif., or call at any of the several branch offices that are maintained by the commissioner throughout the state.

Cypress Cleaners Installs Motor

The Cypress Cleaners is installing needed new equipment in the way of a ten horse power motor, and adding another press machine to handle the increased volume of business. "Bill" Reed states that his son, Stanley, will be employed to assist in the plant. Other changes and plans for expansion are being made for the near future.

CRUSADER QUARTET from Pasadena College which will be at the Church of the Nazarene for both Young People's service at 6:30 p.m. and evening service at 7:30 p.m. this Sunday, April 4.

Meeting Of Safety Council Interesting

The meeting of the West Orange county safety council last Tuesday evening was called to order in the Cypress school by President S. V. Fullerton. Mrs. Fullerton acted as secretary. After reading the minutes of the previous meeting held in February, two items were brought before the group for consideration which concerned Buena Park. The first problem involved the question of steps to be taken to protect the safety of children attending Lindbergh school who have to cross Commonwealth avenue. Various methods used in surrounding towns were mentioned and discussed.

The spokesman for Buena Park had also been instructed by the Businessmen's Association of the Chamber of Commerce to mention the excessive speed with which travelers went through town on Manchester for several blocks on either side of Grand avenue. The suggestion had been made that some sort of signs be posted at strategic points which will call attention in a forceable manner to the rate of speed and slow the traffic down so that driving or walking is not so hazardous at the corner of Manchester and Grand.

The group considered two answers to these dilemmas for Buena Park. One was to ask for aid in the way of an officer who would be posted at irregular unexpected hours to take care of violators until the public would be educated to the fact that the town ment what the signs said. The other suggestion was to seek to educate school children and others by means of educational films. These have provvaluable in other communities and there is a strong possibility that they might be secured to show before groups to which the public is invited in each town.

Some time was taken up with discussion of children on bicycles. President Fullerton explained that riders are subject to the same laws as other moving vehicles. Many children and parents of children do not know this. Especially dangerous is the practice of children "riding double" on bicycles on busy highways and streets.

Los Alamitos reported that good results were obtained in the matter of arrests made for drivers from the navy air base who failed to stop for the sign when coming onto the highway. The Chamber of Commerce is sponsoring a crossing guard at the school. Since the school and a large trailer court housing students are opposite each other, this action was deemed particularly wise.

The scope of the work done by the safety council is nation-wide. Next week Fullerton, who has the interests of the groups present at heart, will ably represent them at a meeting in Santa Ana for Orange county. If a solution cannot be reached locally the county is represented at Sacramento, and the state in turn by a representative in Washington.

Watch the calendar for the announcement of the next meeting of the West Orange county safety council. You will want to be present to join in the discussion of the safety problems in these communities.

Attempt To Rob Local Store

Some time during the night on Tuesday or early Wednesday morning, the Cypress Beverage store was visited by a burglar who made an unsuccessful attempt to enter the establishment. Pat Arnold who was the first to discover the damage to his building, states that a hole was cut in the screen, but that the discovery of iron bars at the window probably discouraged the would-be robber.

New Clubhouse Planned For Cypress Park

The chairman of the park committee, Jake Van Dyke, has announced that a mass meeting to determine future policy will be held in the near future. He said that the residence now on the park property is to be moved and a new clubhouse erected. The old building is not adaptable to public clubhouse use as at first hoped and more funds will be needed in order to build a new one.

Judge Cameron Files Paper For County Post

Judge Howard C. Cameron last week filed his nomination papers as a candidate for the post of Orange County Superior Court Judge.

An able and experienced jurist, Judge Cameron for the past seven years has been Superior Court Judge pro-tem, taking the bench if regular jurists were called away. He is the only justice of the peace in Orange county to receive this signal honor and holds a letter of

JUDGE HOWARD C. CAMERON

commendation for his outstanding work from the Supreme Court.

Judge Cameron was proposed for the post of Superior Court Judge by a county-wide group of attorneys, businessmen, and civic leaders, who point out that the maturity and experience of Judge Cameron will be a vital asset to the Orange County Superior Court.

A former practicing attorney for many years, Judge Cameron has been Justice of the Peace of the Santa Ana Township Court for the past nine years, and has won wide acclaim for his fair and impartial decisions.

Business Ass'n. In Alamitos Has Breakfast Meet

Twenty-one members of the local Business Association accepted the invitation of A. A. Guilliaum, owner of the Los Alamitos sanitarium, to meet at the Sanitarium for breakfast one day last week.

In addition to the election of Cleo DeWitt as president and Mrs. Grace Johnson as secretary-treasurer, which had occurred at the organization meeting, August Labourdette was elected to assist DeWitt as vice president. Appointed on the publicity committee were Frank Watte, Jack Baird and Louis Aguiar; membership, Ray Baker, Camiel Pattyn and Bob Dodd; investigating, Coy Long, Raymond Gayler and Grover Wyble.

Although there was some discussion concerning meeting for breakfast, since it would be more convenient for many, there is no available cafe open at that hour where so large a group could be served. The next meeting of the group will take place on April 8 at 12 noon at the DeBruyn cafe.

CALENDAR

Organizations wishing to have meetings or special events listed in this weekly calendar are invited to contact the News office with their information.

SUNDAY—APRIL 4
Church Service—All Churches.

MONDAY—APRIL 5

EDITOR'S FOUR S's

Having been around Cypress for the better part of a week we have come to the conclusion that we will probably be concerned primarily with four "S's" — speed, safety, sewers, and circulation. The first three are of vital interest to all of us as citizens of this community. The fourth one is our problem for the next few weeks.

From time to time we will have more to say on each subjct in these columns as we become better versed in them. It doesn't take a great deal in the way of research to understand that too much speed on our streets reduces the margin of safety and, at the present time, speed shows a greater margin than safety.

In the past week we have listened to a good deal of talk around town about Cypress and its rapid growth, but somehow or other in the conversation the old bug-a-boo term "sewerage" always seems to "seep in" and there the discussion ends. To the uninformed, it would seem that the welfare of this community is in some way " connected with the sewer."

Our problem of the fourth "S," figuratively speaking, was how to introduce ourselves. There is only one of us — there are several thousand of you. So for a few issues it was decided to cirulate the paper as a "throw-away," which is newspaper parlance for "free circulation." This method is not a permanent arrangement and the best way to insure receiving the Enterprise regularly is to come to the office in Harvey's Hardware store and place your subscription in the regular manner. Uncle Sam's postmen are far more reliable than the editor and her accomplice were trying to hit the front porch or driveway from a moving car!

We could wish for the opportunity to meet each of our subscribers in a more conventional manner, to hear what you think about our publication and to accept your compliments graciously, or defend ourselves as the case might be. It was simpler in the old days. It was in a similar rural area that we lived then, only we called them "farms." On a pleasant day in summer, the editor would lash onto the bar of a man's bicycle (which was the only mode of transportation owned by our family) the softest feather pillow from the sofa. It was a real treat to be the "chosen child" and off into the country we would go for a day of visiting and subscription getting. It seems unbelievable now, but we would probably be surprised ourselves to know the number of miles traversed in such a manner in one excursion. If we didn't stop for lunch in some friendly agragarian's kitchen, we might eat crackers and cheese in an out-of-the way rustic store. True the agriculturist might not agree with us politically, but there wasn't a farm in Pocahontas county where we weren't made welcome. Perhaps a man and a small girl on a bicycle on a lazy, hazy summer day were a pleasant diversion and compensated for the intrusion upon his pastoral solitude.

We don't own a bicycle, and today's way of life has speeded up by comparison. However, the principle of newspapering is still the same — the desire to serve the community, and with your cooperation that is what we aim to do.

CRYING FOR THE MOON! By MACKENZIE

I RISE TO REMARK
By John Philips

It is a curious commentary on the world situation that the Congress of the United States should be required to devote Holy Week to a discussion of a plan, only a little short of actual war, to stop the persistent encroachments of a philosophy which destroys the freedom of the individual (our forebears spoke of the "divine right of the individual") taught by the Christ to whom the week is dedicated.

After reading the terms of the so-called Marshall Plan, now called the European Recovery Program, increased by other countries than those first named, and gradually re-appearing as a plan to protect the United States, instead of a plan to stop Communism, which it never was, I rise to remark that it may be significant that the vote will probably come on April Fool's Day, 1948.

This does not mean that I shall vote against the plan. I made one of my infrequent speeches on the Floor, last Monday and, very briefly, my plea was to approach the formal discussions, which began Tuesday, with an open mind, and second, to be honest with ourselves. There is an axiom in business that if you want to try to fool your competitors, that is permissible, but only a very stupid business man tries to fool himself. That has been my serious charge against the State Department and the Administration; they have deliberately tried to mislead the American people on this entire question.

The philosophy of the free individual, on which this nation was founded, is incompatible with the philosophy of mass control, which Russia has been trying to impose on the world since 1917. There was never been any secret about it; the philosophy is printed and diagrammed for everyone to read. Yet we supported Russia and still support her.

As Japan was being forced to her knees, Russia insisted on being cut into the game. Mr. Roosevelt at Yalta sold China down the river, giving Russia not only the right to join in the peace negotiations as an equal partner, but actually giving Russia som of the possessions of China to which Russia had no right whatever.

No record of that secret agreement, by Mr. Roosevelt, who assured Mr. Stalin that he would guarantee the acceptance of the humiliating terms by China, appears in any State Department document. That agreement was considered by Mr. Roosevelt to be a personal document, and is stored at Hyde Park, with other so-called personal papers of the late president. Its terms are known.

When the Marshall Plan was first talked of, Russia was invited to join the program. It was Russia who refused, not the United States who barred that nation.

President Truman came to the Congress on the 17th and "talked tough" to Russia, for which he was applauded generally by the people, who forgot that the Congress has been asking him to talk that way for months. At the same time, the State Department was negotiating a reciprocal trade agreement with Czechoslovakia, under which that little country will ship us shoes, glassware, rubber footwear, while we ship in exchange farm implements, autos, trucks, steel, and a long list of critical materials, all very useful in Russia, and more useful in case of war.

The Russian ship CHUKOTKA is right now reported loading at Jersey City with industrial machinery worth $282,000. It is poor judgment to threaten any nation, and at the same time supply that nation with the implements of war. It was poor business in 1941, and it is still poor business in 1948.

The opinion of the majority of the members of Congress, as the debate begins, is that the present Administration has led the country into an impasse in which there is no choice but to vote for ERP, realizing that our job is to keep up the courage of the people of the nations of western Europe, and the about 60 per cent of our help will be in the form of food. That's a short comment on a very complicated situation.

At the last moment the House Committee on Agriculture and the subcommittee on agriculture of the Committee on Appropriations were compelled to change the joint trip to the West which had been arranged and all plans made. The House leadership decided to have general debate on ERP (the so-called Marshall Plan or European Recovery Program) starting on Monday, March 22, and continuing through March 25. The Congress will then recess for the 26th, 27th, and 28th, and begin reading the bill, which means that amendments and the voting, the following 3 or 4 days.

Under the circumstances, since the California part of the trip will have to be postponed again until fall or perhaps until next year, I decided not to accompany the committee but to stay in Washington during the ERP discussions on the Floor. It is still my hope to get back to the district if only for a breif visit before June 1, but this will depend entirely on the importance and urgencies of measures before the Congress.

will be offered and voted upon March 29. The hope is to bring the bill to a final vote on the 29th of March or the 1st of April.

Since the plans had already been made and particularly since the House Committee on Agriculture wants to hear the views of farmers in the grass roots districts and their suggestions for long term agricultural policy, some members of the committee left Washington on the evening of the 19th, to hold hearings scheduled for Denver on the 22nd, Salt Lake City on the 23rd, and Spokane on the 25th, but their sleeping cars in which they go West, will be attached to a returning streamliner on the evening of the 25th which will get them back in Washington on the 28th in time for the reading of the bill.

Centralia P-T.A. Plans Carnival

The executive board of the Centralia Parent-Teacher association met Monday night at the school and made final plans for their one big money raising project of the year. A carnival will be held on the school grounds on April 9 from 5:30 until 9 o'clock and the usual attractions will be featured. The concessions will be in charge of the various rooms in the school and the Girl Scout groups, with the P-T.A. sponsoring the white elephant and fancy work booth and the jitney supper. A cake walk and picture show will conclude the evening.

CYPRESS

Bids for construction of the new additions to the Cypress school are now being received by Dan Mackay, clerk of the board of trustees.

Rev. Romey Black has resigned as pastor of the First Southern Baptist church of Cypress.

A marriage license has been issued to J. Ranconi and Betty Mae Valentine, both of Cypress.

The 29th wedding anniversary of Mr. and Mrs. Milam Williams was observed with a family dinner at their home on Western Ave. Sunday night.

Mr. and Mrs. Harold Pugh have been issued a permit for a $7,000 home on S. Walker street.

Mr. and Mrs. "Pete" Browning and two children, Sandra and Jo Ann, are new residents of Cypress, having moved here from Los Angeles. They have purchased home on St. Ann street.

Friends of Mr. and Mrs. John Murdock (nee Gerry Booth), 8702 Western avenue are offering congratulations on the birth of their first baby, a daughter, Marlene Ardell, who was born on March 30. She weighed six pounds thirteen and a half ounces at birth and is the granddaughter of Mr. and Mrs. Lyman Booth of Harding and Mr. and Mrs. Dave Murdock of Camp Verde, Arizona, and the great-granddaughter of Mr. and Mrs. A. H. Booth of Coalinga.

Mrs. Eric Jorden returned home on Wednesday evening from a preacher's wives retreat which was held on the Presbyterian Conference grounds at Pacific Palisades. She left home on Monday and was joined on Wednesday by Rev. Jorden who attended the program on the last day of the retreat.

APRIL IN CALIFORNIA
(Continued from Page 1)

Species shown have been brought to Southern California from China, Asia Minor, Africa. Colors range from pure white to reds, yellows, purples, and blues. Ninth year of the show, to be held this year in Plummer Park.

April 17 - 18 April 24 - 25 May 1 -2
RAMONA PAGEANT

Approximately 60 people of San Jacinto and Hemet valleys, who "inherit" and live their parts, produce dramitazation of Helen Hunt Jackson's novel of girl Ramona and her Indian lover Alessandro, in outdoor bowl set high in mountain valley overlooking historic country where legendary story of Ramona occurred. Valley of bowl is so acoustically remarkable that whisper can be heard across it. Setting for play blends into wooded hills. Characters ride on and off it.

April 17 - 25
RIVERSIDE MUSIC AND ART FESTIVAL

A week of art and musical events including opera, choral, and choir groups; symphony concerts by Los Angeles and Pasadena orchestras; solo artists; drama and song. Painting and photographic exhibits.

April 22 - 25
PASADENA FLOWER SHOW

Best of blossoms and flowering plants from the Southland's winter-blooming outdoor gardens will be exhibited in the Southern California Spring Flower Show held in four large buildings and five landscaped acres of the Morrison Horticultural Center, beside the Rose Bowl in Pasadena. This is the only center especially designed for the holding of flower shows.

April 24
CHINO RANCHO RIDE

California's almost legendary "Robin Hood" bandit, Joaquin Murrieta, and his henchman, Juan Tres Dedos ("Three-fingered Jack"), reputedly used a hidden valley in the Chino Hills, a few hours' drive distant from Los Angeles, as a hideout. Every spring, horsemen of the Chino area make a trek up the green Soquel Canyon to the valley. This spring the ride starts at 9:00 a.m. at historic Don Lugo Ranch. Some 2000 will make the ride — on horseback or in horse-drawn vehicles. Riders include the Chino Riders Club, sheriff's posses, and costumed horsemen and women. Prizes for the youngest, oldest, best-costumed riders. Barbecue at Hidden Valley at noon.

April 24 - May 1
RAMONA FIESTA

People of San Jacinto, in Riverside county, hold a fiesta the last two Saturdays of the Ramona Pageant production. Townspeople dress in costumes of Ramona era. All-Star Hollywood stage show, concession booths, contests, free entertainment.

April 24 - 25
CORONA FLOWER SHOW

Amateur and professional flower-growers of Corona in the lemon-grove country of Riverside cunty hold a non-competitive exhibit of all varieties of flowers. Display, sponsored by the Corona Civic Garden Club, will be held in the American Legion Building.

April 24 - 25
LOS ANGELES DOG SHOW

Forty-fourth National All-Breed Dog Show held at Gilmore Stadium, Los Angeles, under sponsorship of Los Angeles Kennel Club. Approximately 1500 "blue - blood" dogs of 70 breeds, many of them from noted eastern kennels, are expected to be entered.

April 26 - 28 - 29
INTERNATIONAL COLOR EXHIBITION

Nearly 400 natural color film slides — the best of more than 1000 entries — will be displayed in Los Angeles County Museum in the first of an annual series of color slide film shows sponsored by the El Camino Real Camera Club of Los Angeles. Entries from Australia, Belgium, Holland, England, Canada and many of the 48 states.

April 30 - May 1
HUNTINGTON BEACH FLOWER SHOW

Floral exhibits, afternoon teas, evening entertainment. "Queen of the Flowers" will reign. Spring flowers from private Huntington Beach gardens featured.

From left to right, Kitty Case of Huntington Beach, Barbara Cox of Whittier, Edith Logg of Fullerton, John Achey of Huntington Beach and Irene Weinheimer of Huntington Beach who will play leading roles in the forthcoming production of "Pirates of Penzance," popular operetta, to be presented by Fullerton Junior College April 9 and 10.

RADIO'S RAINMAKER

PLENTY OF RAIN is being offered as a contest prize to drought stricken Southern California farmers by an enterprising Hollywood radio station. (Above) Charles Stone, emcee of the station's farm program, gets clearance from the "tower" for some trial passes with 100 pounds of dry ice over a rain-filled cloud.

April 30 - May 1
CORONA LEMON FIESTA

Home of the world's largest lemon producing plant stages a city-wide celebration honoring its lemon industry. Lemon Fiesta queen, lemon pie baking contest, Lemon Box Derby. Parade May 1 featuring floats, marching units, and animals. Booths will sell rich, creamy slices of lemon pie.

MRS. OLIVE WILLIAMS PHONE AN 2-8279

Friends of Mr. and Mrs. Durward Miller of Long Beach, formerly of Cypress, will be pleased to learn of the birth of their first child, a son, born on March 21 in St. Mary's hospital in Long Beach. The baby, who weighed seven pounds 13 ounces at birth, has been named David Cloyd. He is the first grandson of W. C. (Old Sarghum) of Cypress and the great grandson of Mrs. Sarah Miller, also of this community.

The R. C. Cawthons had as their guests on Thursday, Mrs. Cawthon's brother and sister-in-law, Mr. and Mrs. Lester Williams.

Guinn Wallace Marries In Santa Ana

At a charmingly simple wedding ceremony on March 19 at 8 o'clock Guinn Wallace, son of Mr. and Mrs. Richard Wallace of Cypress took as his bride, Carolyn Martin, daughter of Mrs. Lois Kelly of Santa Ana. Scene of the ceremony was the Kelly home at 804 W. Fourth St., Santa Ana.

The couple stood before an improvised altar banked with white flowers to repeat their marriage vows with Rev. R. A. Young, pastor of the Spurgeon Memorial Methodist church of Santa Ana officiating at the double ring service.

For her wedding, the bride chose a floor length gown of pink crepe, her corsage being fashioned of white perfection camellias. Attending her sister as matron of honor was Barbara Cursell of Santa Ana and best man was Lloyd Harkema of Clearwater.

Reception honors took place immediately following the ceremony. A three-tiered wedding cake centered the bride's table which was decked with white flowers and candles. Serving was done by two close friends of the bride's family.

The newly married couple are making their home in an apartment in Santa Ana. Mrs. Wallace is a graduate of Santa Ana high school. Her husband, who is an employee of Western Electric Company, attended the Clearwater high school and served three years in the Coast Guard, 18 months of that time being spent overseas.

Mrs. C. L. Wicker and children, Judy Belle and Jimmie, spent the latter part of last week in Riverside at the home of the former's parents, Mr. and Mrs. Frank Southward.

George Strempel came down from San Luis Obispo to spend the Easter weekend with his family, the A. H. Strempels.

Mitchell Tucker, who came down from California Polytechnic to spend Easter with his family, Mr. and Mrs. Herschel Flock in Fuller Park, was in Cypress Saturday calling on friends.

Records Broken For Attendance Last Sunday

Breaking all previous records for Sunday School attendance at the Cypress Nazarene church was the Easter Sunday attendance of 256. Last Easter, the attendance was 190 and the largest attendance until last Sunday was 205, which occurred on Rally Day.

Two other records were broken last Sunday. The average attendance at Sunday School for the month of March was 190, the highest yet recorded for any month and the Sunday School collection which is given over to foreign missions on Thanksgiving and Easter, totaled $100.

At the Sunday services, the church was presented with a new pulpit by Rev. A. L. Longdon of Buena Park. A service took place in the Young People's meeting in the evening in which the Christian flag, given by Mr. and Mrs. Norville Chapman, was dedicated to the memory of their son, Howard Chapman, who had been a member of the group. The new national flag was the gift of the Young People's Society.

Those taking part in the Sunday School program practiced diligently and as a reward, after the last practice on Saturday afternoon, an Easter egg hunt was staged. Those in charge of the party were Mrs. Curt Tartar, Mrs. Noxie Stearns and Mrs. Joe Ferguson. After all the eggs had been found, refreshments of ice cream and cookies were servedto the 80 youngsters present.

Cello Recital In Long Beach By Contest Winner

Gilbert Reese of Long Beach, brilliant young cellist and winner of the 1947 KFI-Hollywood Bowl auditions contest, will be presented in a civic-sponsored recital in the Concert hall at the Municipal auditorium in Long Beach on Sunday evening, April 4.

Young Reese, a veteran of the U. S. Army Air Corps and now student of philosophy at the University of California, will leave Southern California shortly after his Long Beach recital to open his concert debut in New York He has already appeared in a number of motion pictures, including the "Song of Russia." Former first cellist with the Victor Young orchestra on the Texaco program, Reese is well known to music lovers throughout Southern California. He has appeared as guest soloist at both the Redlands Bowl and the Hollywood Bowl.

Legion Auxiliary Officers Change In Alamitos

Two resignations of officers were received by the American Legion auxiliary at its last meeting. Mrs. Lee Ellis relinquished her office as secretary, in anticipation of an extended tour which she and her husband plan to take in the near future and ill health caused the resignation of Mrs. Otto Turley, historian. Elections to fill these vacancies will take place at the first meeting in April.

Plans for poppy day were discussed and Mrs. Frank Watte, poppy chairman, reported on the poppy poster contest being conducted among the local school children, the winner to be awarded cash prizes.

Funds were voted for the Red Cross and for the French orphan at St. Die, which has been adopted by the district. This small community in France was completely demolished during the war, the only survivors being a few children one of whome is being aided by the district Legion auxiliaries.

Hostess committee for the evening were Mrs. Lee Ellis, Mrs. Alice Pattyn and Mrs. Audrey Oliver.

A delegation from the local auxiliary attended the recent dinner meeting of the Huntington Beach Auxiliary Joseph Rodman unit No. 133, which was held at Lake Park club house. State president, Estella Hannell, was making her official visit and past department president, Laura Mahan, was also present and spoke to the women about her work with disabled veterans, especially in the making of the poppies for poppy day.

Making the trip were Mesdames W. Badgett, N. R. Rathbun, Al Little, Paul Beeman, Robert Radford, M. W. Robinson and Miss Joan Robinson.

ASPARAGUS TIPS

Asparagus is a welcome sign of spring on any cook's calendar. A vegetable abundant in the markets this time of the year, asparagus can be served in any number of good-tasting ways. In California, green asparagus is preferred to the blanched white variety: Californians have a flare for color in their cooking! Usually we allow about a half-pound (as purchased) for each person. Choose the freshest, tenderest asparagus from the market; avoid that with too much tough, woody stalk at the bottom, for this part must be discarded anyway. To prepare: wash stalks quickly in cold water; trim off scales, because they are sand catchers. Season asparagus lightly, just enough to enhance its own spring garden flavor. And most of all, please cook it only enough to get that barely tender quality. Here are some variations on the old asparagus theme:

BAKED ASPARAGUS
(Serves 4)
2 Tbsp. shortening
3 Tbsp. flour
1 C. milk
Salt and pepper
2 C. asparagus, cooked, cut in pieces
2 sliced hard-cooked eggs
1 C. crushed potato chips

Melt shortening, add flour, blend thoroughly. Slowly add milk to make white sauce. Season. Add asparagus pieces and sliced eggs. Place in baking dish, cover with potato chips. Bake 350° F. 20 minutes.

ASPARAGUS WITH CHEESE

Cook asparagus in small amount of salted water until tender. Drain. Butter shallow baking dish and lay asparagus in it. Sprinkle thickly with grated cheese, dot with butter, add a little pepper. Brown slightly in 350° F. oven, serve at once.

ASPARAGUS HOLLANDAISE
(Serves 4)
1½ lbs. fresh asparagus
4 Tbsp. butter or margarine
½ C. orange juice
Grated rind of one orange
¼ tsp. salt
⅛ tsp. paprika
2 egg yolks
2 Tbsp. water

Cook asparagus in small amount of boiling salted water. Melt butter over hot water; add orange juice, rind, salt and paprika. Beat egg yolks; add water, add to orange juice mixture. Cook over hot water, beating until thickened. Serve immediately on cooked asparagus.

ASPARAGUS TIPS AND CELERY HEARTS
(Serves 8)

Cook 2 bunches fresh (or 2 cartons frozen) asparagus until just tender. Drain and chill. Remove the outer stalks from 4 bunches celery hearts. Cook the celery hearts in consomme or bouillon until just tender. Chill the celery hearts in the consomme and drain well. Split the celery hearts in half, lengthwise. Allow the split celery stalks and the asparagus tips to stand over night in barely enough French dressing to cover them. Arrange the whole on salad greens. Garnish the asparagus with finely chopped or grated hard-cooked eggs. Sprinkle the celery hearts with freshly ground pepper. Radishes make an attractive garnish for this salad.

MARINATED ASPARAGUS SOUTHERN STYLE
(Serves 6)
2 bunches asparagus (2-2¼ lbs. each)
½ C. salad oil
4 Tbsp. lemon juice
2 Tbsp. minced celery
1 bay leaf
1 tsp. minced onion
1 sprig fresh or dry thyme
2 tsp. salt
1 tsp. paprika

Prepare and cook asparagus and chill. Meanwhile combine remaining ingredients and beat with a fork, or shake until well blended. Chill for at least ½ hour. Remove bay leaf and thyme and beat up again. Pour over asparagus, which has been arranged on serving dish.

FRIED ASPARAGUS (Serves 4)
1 lb. fresh asparagus
Salt and pepper
Flour
1 Egg
¾ C. dry bread crumbs

Cook large whole stalks of asparagus until barely tender. Drain well, season, dip in flour, then in slightly beaten egg; roll in crumbs. Fry in skillet or deep fat until a delicate brown, turning often.

Mr. and Mrs. Oren Harvey are receiving the congratulations of their friends on the birth of their first baby, a daughter, in the Anaheim Community hospital on March 26. The baby has been named Frannice Joan and weighed seven pounds six ounces at birth.

Friends of Mr. and Mrs. Bill Shea of Bellflower have received announcement of the birth of their second child, a son, who was born on March 20 and has been named Michael Joseph. Mr. Shea is well known in Cypress, having lived here for many years during his elementary and high school days.

SOME HELPFUL HINTS FOR GLADIOLUS GROWERS

Another valuable South African plant, which is well suited for California conditions. The great number of varieties include every shade of the rainbow. They are the most useful and attractive of the summer flowering bulbs and as cut flowers they can hardly be surpassed. When cutting do so as soon as one or two flowers are expanded. The rest of the buds will open in water if care is taken to remove faded flowers, changing the water daily and cutting a piece of the stem each time.

The bulbs can be planted almost any time from January to June, although in our mild climate, it is possible to start them any time good bulbs are available.

Gladiolus are not at all particular as to soil. Light sandy loam is as good as heavy adobes, as long as the drainage is satisfactory. On the other hand, Gladiolus like plenty of water, especially at blooming time. Soil that naturally retains moisture or can be made to do so will give the best results. They prefer a sunny location, except when planted during the hot summer months, when a semi-shady place is more desirable.

The blubs should be planted from eight to twelve inches apart at a depth ranging from three to six inches, according to the texture of the soil. In heavy soils three inches is best, in lighter soils, four to six inches is preferable. Commercial fertilizers, or well-rotted cow manure may be used, if thoroughly worked through the soil at least two weeks before planting time. A light application of commercial fertilizer at blooming time is also beneficial.

HINTS for HOMES

Rub soap on a screw or nail before driving into hard wood. It'll ease the task, prevent wood from splitting.

Shift stair carpeting when it shows wear so that worn spots cover risers, unworn areas cover treads. The carpet will last twice as long.

Ice trays won't stick if, after defrosting, shelves and trays are dried thoroughly, rubbed with bottled salad oil.

Glass block installed in garage window openings admit daylight and cut heat loss, hence make for easier winter starting.

If not baked too hard, grease deposits on enameled surfaces of a cooking range can be removed with a damp cloth and baking powder.

Replace cellar windows, few of which are ever opened, with glass block. They admit daylight, are easy to clean, require no repainting or maintenance because they're impervious to weather and dampness.

HINTS for HOMES

To remember when using step-ladders: Don't over-reach, move the ladder; don't use one with broken or missing steps; don't leave tools on the top step.

That cold downdraft from the bathroom window over the tub or wash basin can be eliminated if the conventional sash is replaced with glass block.

If the action of your upright piano sticks from dampness, put a low wattage electric bulb (with cage protector) inside at the bottom of the harp for a few hours.

varnished surfaces with cider vinegar and water—one tablespoon to the quart. Wipe with the grain, then dry.

Save those leftover ends of wallpaper. With careful matching they're handy for patching an accidental tear.

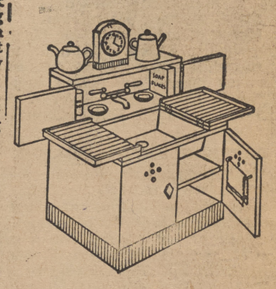
READ OUR CLASSIFIED ADS

Glamorize Your Old Sink

Modernize an old kitchen sink by encasing it in a smart folding cabinet. This arrangement can be had by modifying present equipment or building a new cabinet around the sink.

The easiest method is to build the cabinet in two parts. The base, equipped with folding drain boards, hides unsightly plumbing and provides storage space under the sink. A simple cupboard on top encloses faucets and gives extra shelf space.

When not in use, the streamlined sink-cabinet closes up completely to serve as work-counter area and to add a ship-shape appearance to the kitchen.



Get Daylight With Privacy

When a bathroom fronts on the street, necessary privacy and daylight can be obtained by combining glass block with a small ventilating window. The insulating quality of the glass block also reduces the heat loss that would occur with a large window.

Commonly associated with functional buildings, glass block also blends readily with almost any type of architecture. Insulux block in the six-inch size is comfortably at home with the simplicity of the Colonial-type doorway. The pattern of the mortar joints even bears a resemblance to the multiple-muntin sash present in Early American fenestration.

New Charter For Boy Scouts In Troop 17

Troop number 17 of the Los Alamitos Boy Scouts has been reorganized and the sponsorship taken over by the Laurel Parent-Teacher association. The new charter was recently received and plans are underway for an active troop.

Scout master is John Roselein with R. G. Meyer as Assistant Scout Master. A. M. Mitchell is the president of the Scout committee; M. W. Robinson, vice president; Raymond Gayler, secretary-treasurer; Louis DeLeon, camping and transportation chairman; Otto Turley, training and advancement chairman. The troop meets every Tuesday night at the Laurel school.

At a recent meeting the boys working for their cooking badges cooked supper for the troop at a location on the San Gabriel river close to the community and had as a special guest, Scout Master Kanaus of La Habra who spoke to the group on various phases of scouting and led in singing Scout songs. Returning the courtesy, Scout Leaders Fred Robinson and Dick Murray with Louis DeLeon, committeeman, visited the La Habra troop on their next meeting night.

Plans for the weekend include an overnight trip to Trabuca Canyon accompanied by A. M. Mitchell and Louis DeLeon.

Local Church To Hold April Revival Meetings

The spring revival services will begin at the Cypress Nazarene church on April 5 and continue through April 18. The evangelist will be Rev. Murray J. Pallet of Hollydale and Harold Johnston of Fullerton will offer special piano music. Mrs. Jorden, wife of the pastor, will act as song leader.

On Sunday, April 4, at 7:30 p.m. a group from Pasadena College will have charge of the services. Featured will be the Crusaders, a male quartet, from the college, whose recent appearance in Cypress was so well received that a return engagement was requested. The offering will be used for "living endowments" for the Pasadena college.

KELLEY FOR SUPERVISOR

(Continued from Page 1)

tified with the civic affairs of West Orange county for the past five years. He was president of the Cypress Chamber for one term and is now assistant secretary of that organization; has represented the local chamber at the Associated Chambers of Orange county faithfully. He is now vice president of Fire Chief Association of Orange county. He is a member of the Buena Park Masonic Lodge.

Haskell Kelley fully appreciates the county's water problem and feels that the county's future is dependent upon the development and conservation of the water supply. He understands the importance of the county's sewage and sanitary problems.

Haskell Kelley's long experience as a successful farmer familiarizes him with the ranching and farming problems; his experience with farm labor and the Iron Workers Union fits him to deal with any labor problem that might arise; his business experience is adequate to enable him to deal with the businessman's problems and his civic activities have given him a close view of the District's civic and political problems.

Mrs. Clarence Curtis Entertains

When Mrs. Clarence Curtis entertained recently at her home on Lincoln Blvd., it was in honor of her daughter, Mrs. W. A. Reed of Buena Park and her niece, Mrs. Herbert Curtis, of Lokewood Village. Assisting as co-hostess was Mrs. Floyd Curtis of Garden Grove.

Bowls of spring flowers made the home festive for the occasion and the layette theme of the party was observed at the refreshment interval with pink bootie nut cups and pink napkins folded to resemble kimonas.

Winning prizes in the games which were played during the afternoon were Mrs. Clarence Bircher of Placentia and Mrs. Ina Olive of Buena Park.

Present at the pleasant affair were Mrs. C. B. Curtis, prospective great-grandmother of the expected babies, Mrs. C. Bircher and son, Gerald, Placentia; Mrs. B. A. Reed, Mrs. Ina Olive and Mrs. Jackie Melton of Buena Park; Mrs. Charles Jones and daughter, Charleen, of Midwaq City; Miss Mary Ann Curtis of Long Beach and Miss Beverly Curtis of Cypress.

Unable to be at the party but sending gifts were Mrs. Bertha Litchenberger of Chicago; Mrs. Herman Hedlund and daughter, Carol Ann of San Gabriel; Mrs. Harry Hemus and Mrs. H. B. Hollingsworth of Fullerton; Mrs. E. A. Reed of Buena Park and Mrs. Clarence Woodhouse of Santa Ana.

Charles Heikes Will Move To Kansas

Planned as a surprise was the farewell party Friday given in honor of Mr. and Mrs. Charles Heikes, who are planning to leave the first of next week to make their home in Kansas. Scene of the party was the social hall of the Cypress Nazarene church where Mrs. Heikes had been lured for choir practice.

A game in which all could take part was played with Mrs. Norville Chapman in charge. All contributed toward the gift of a pair of sterling silver candle holders and three pair of sterling silver individual salt and pepper shakers, the presentation being made by Rev. Eric Jorden, who expressed the regret of their many friends of seeing them go.

The serving of refreshments by Mrs. Donald DeWitt and Curt Tartar concluded the evening. Attending were Mr. and Mrs. Ocie Ferguson, Mr. and Mrs. Frank Davis, Mr. and Mrs. Charles Martin, Mr. and Mrs. J. C. Napier, Mr. and Mrs. Hal Shirey, Rev. and Mrs. Eric Jorden, Mrs. Gart Zwart, Mrs. Noxie Stearns, Mrs. Joe Ferguson and daughter, Jeanette, Mrs. Curt Tartar, Mrs. Oscar Kelly, Mrs. Toab Wolford, Mrs. M. DeLucca, Mrs. G. E. Riddle, Mrs. Grace Stogdill, Mrs. Norville Chapman, Mrs. J. W. Fleetwood, Mrs. H. Woodmansee, Mrs. Irene Santhoff, Mrs. Donald DeWitt, the Misses Etta Jean Bodkins, Carrie Stamper, Gayle McCoy, Marie Presville, and Flora Stamper, Clarence Norland, Andy Stamper, Stanley Martin, Hollis Woodmansee, Dick Shirey, G. Bradford, Leon Ferguson and the honor guests.

LOS ALAMITOS

Miss Geraldine Cloud of Garden Grove was the recent house guest of Miss Louise Kerr.

Mr. and Mrs. Richard Munday have gone to Superior, Nebraska, where they expect to establish their home.

Mrs. W. C. Parker and infant daughter arrived here recently from Pensacola, Florida, for an eight weeks' visit with her parents, Mr. and Mrs. Louis Aguiar.

Mr. and Mrs. B. C. Sales had as their Sunday dinner guest Miss Paula Parker of Long Beach, the fiancee of their son, Murlyle Sales.

Mr. and Mrs. Ernest Daniels and two small sons have purchased a new home in Brea and will move to that city shortly.

Mr. and Mrs. M. W. Robinson, their son, Fred, and daughter, Joan, were dinner guests on Easter Sunday of Mr. and Mrs. Leo Zastrow in Sherman Oaks. Robinson and Zastrow were buddies in World War I.

Oscar Watte suffered slight injuries recently when the light pick-up truck he was driving was involved in a collision with a car driven by Vernon L. Walker of Lynwood. Scene of the accident was the intersection of Howard and Bloomfield road. Walker was uninjured but Watte received a gash on the head which required six stitches to close.

Mr. and Mrs. George Cunningham, whose recent marriage took place in Yuma, Arizona, were feted at a lovely wedding reception last Sunday which took place at the Lakewood Country Club. The affair, which was attended by a host of friends and relatives, was given by Mr. and Mrs. Kenneth Sampson, parents of the bride. Mrs. Cunningham was the former Suzanne Sampson and is a teacher at Costa Mesa.

Easter Sunday had a double significance at the dinner held at the home of the Leo Dunns of Farquarhar street, for aside from the religious meaning, it was the sixth wedding anniversary of their son-in-law and daughter, Mr. and Mrs. Thomas H. Carpenter of Artesia, soon to become Los Alamitos residents. Other guests at the dinner were their son, William L. Dunn and his fiancee, Miss Audrey Borley of Long Beach, and their granddaughter, Carol Ann Carpenter. The group joined in presenting the Carpenters with a lovely kodak.

Mr. and Mrs. Harve Ballard, parents of Mrs. Joe L. Kelly, arrived recently from Electra, Texas, for a two weeks' visit. In addition to the Kelly's, the Ballard's will visit two other daughters, Mrs. Walter Freeman and Mrs. Lora Dickey. They were accompanied to California by Mr. and Mrs. C. Swofford, who are visiting relatives in Long Beach.

NOTICE OF ABANDONMENT OF HIGHWAY

NOTICE IS HEREBY GIVEN to all freeholders in the Third road district that the hearing of the petition of Maude E. McWilliams et al, filed on the 23rd day of March, 1948, to vacate, discontinue, abandon and abolish a certain street in the Third Road District, in Orange County, California, has been set for Tuesday the 27th day of April, 1948, at 10 o'clock A.M., at the room of the Board of Supervisors in the Court House at Santa Ana, California.

Said street is described as follows:

That certain unnamed Street sixty (60) feet in width lying along the South line of Lots 19, 20, 21, and 22, Whitaker's Addition to Buena Park, as shown on a Map thereof recorded in Book 25, Page 10, Miscellaneous Records of Los Angeles County, California.

The portion proposed to be abandoned extends from the East line of that certain public highway commonly known as Hansen Street Easterly to the West line of that certain public highway commonly known as Western Avenue.

BY ORDER OF THE BOARD of SUPERVISORS OF ORANGE COUNTY, CALIFORNIA.

Dated this 23rd day of March, 1948.

(seal) B. J. SMITH, County Clerk of Orange County, and ex-officio Clerk of the Board of Supervisors of said County.

Published Buena Park News April 1, 8, 1948.
